I worry there is no one able to advocate for the elderly in homes. My dad is in a small vets home and they know I watch and watch closely. My dad can still communicate. I miss him terribly and don't know when I will be able to see him again, there is no plan in NY

I always thought that the punishment should fit the crime. Handcuff them to a chair, give the elderly baseball bats, then close the door and walk away.

I worry there is no one able to advocate for the elderly in homes. My dad is in a small vets home and they know I watch and watch closely. My dad can still communicate. I miss him terribly and don't know when I will be able to see him again, there is no plan in NY

I always thought that the punishment should fit the crime. Handcuff them to a chair, give the elderly baseball bats, then close the door and walk away.

War for 4 months? Try 4 years.

They spy and cheat on Trump & team to win the election only to lose

Then, they make up a phony Russian collusion hoax

Then, the fake whistleblower

Then, the partisan impeachment.

Then, the virus. MSM

All along w/ 95% negative stories & lies.

The document doesn't support her claim of assault or harassment By Joe Biden. It suggests she claimed to be on the receiving end of harassment while working in Biden's office. And given her history of not telling the truth, I'd take that with a grain of salt.

Kings expect loyalty. Presidents should expect various opinions that help navigate difficult situations. Presidents should expect various opinions from those who are well versed in their fields. And he should value them. A leader demanding "loyalty" is what drove the Revolution.

A lot of interest in this story about Psycho Joe Scarborough. So a young marathon runner just happened to faint in his office, hit her head on his desk, & die? I would think there is a lot more to this story than that? An affair? What about the so-called investigator? Read story!

let me guess: you're going to distort facts, make promises you don't intend to keep, raise false hopes, throw governors under the bus, deny basic science, praise yourself, meander off topic, and generally play the buffoon. what do I win

The left CONTROLS the Mainstream Media and the Local Media Outlets..

You don't think they want this thing going to a no contact vote, of course they do, this was the plan all along. It's not about a virus..

If they keep Conservatives home, no rally's, etc. They win.

Just look at the mosque shooting in New Zealand when Jacinda Ardern confiscated New Zealand's firearms and the mass shooting in Canada (that the press briefly covered) and Justin Trudeau imposed a massive buyback operation.

You should change the word 'politicize' to 'organize'

Just look at the mosque shooting in New Zealand when Jacinda Ardern confiscated New Zealand's firearms and the mass shooting in Canada (that the press briefly covered) and Justin Trudeau imposed a massive buyback operation.

I am from the Great State of Tennessee. I lived in Montgomery for 20 years, late 80s to early 2000s. Sessions is not the same. Thankfully, I am back home in the hollows of Lynchburg Tennessee. I would definitely vote Tommy if I were in the Gump.

Trump is a real piece of work. The coroner reported that Lori Klausutis had "floppy mitral valve disease" that was previously undiagnosed. Mitral valve prolapse can enlarge your left atrium causing a blood clot that can flick off and make you have a stroke or lose consciousness

320 1.8K 11K

Eugene Gu, MD @eugenegu · ಮೇ 24

After Lori lost consciousness, she hit her head on the side of a table and tragically died. Falsely accusing Joe Scarborough of murdering her when the medical evidence doesn't suggest that is just pure spite and evil. We live in a country based on facts and evidence not innuendo

Who is behind modern-day socialism, why is it evil and how can we stop it? "United States of Socialism" is available for pre-order today!

(1) I'm a little frustrated with Republicans who pontificate about the #Flynn entrapment and the plot to frame Trump, "This mustn't happen again." That's like saying, "They robbed Fort Knox. Now let's make absolutely sure this doesn't happen again."

(2) The way we make sure it doesn't happen again is for the DOJ to go after the perpetrators with single-minded ruthlessness. Indict them all, put them in handcuffs, starting with Obama if he gave the order

Dinesh D'Souza @DineshDSouza · 10 h

(3) Our entire confidence in the justice system rides on this. If the Clintons and Obamas can commit high crimes with impunity, then what does it even mean to say we are a nation of laws? Or that the Constitution requires equal justice under the law?

En respuesta a @DineshDSouza

I heard rumblings of the same from politicians and the media. This must never happen again? Correct. So we must have indictments and if guilty, the consequences must be as serious as the crime. It's as near to treason as we've seen in two generations

To Matt Couch , Every Monday I wonder how many people were killed in Chicago. The figures are unbelievable, and yet they don't want assistance from the White House. POTUS has offered several times to help and they will deny needing help. What will it take to clean up Chicago

Don't you understand? The BIG STORY this weekend was Trump played golf

Get with the narrative!

(And don't even think about China pummeling Hong Kong democracy demonstrators, Cuomo's Cull of elderly, Judge Sullivan going wacko. Two words: Trump. Golf. Got it?)

I've practiced emergency med all over the West for the past 12+ years. TONS of head trauma cases. Its POSSIBLE for a young healthy woman to fracture the top of her skull w/ fatal subdural from a syncopal episode, but in my experience it is very, very, like incredibly, unlikely.

Getting to share this launch with both of my daughters, 6, and 12 is an amazing experience.

I hope you're taking some time today to take a break, and show your children American greatness in action.

This is a big day for America, and we're back!

What's really alarming is the fact that this "activist" network has their puppets planted in communities across the nation and especially in massive community/school related social media groups. They have control of groups of thousands and people don't even realize it.

Getting to share this launch with both of my daughters, 6, and 12 is an amazing experience

I hope you're taking some time today to take a break, and show your children American greatness in action.

This is a big day for America, and we're back!

It's a lazy self serving response. I lived through this nonsense in St. Louis. It does nothing. And who will step forward and own the next death? When a "protester" pops into the wrong building and meets a scared owner that is armed, pissed, and fed up.

These are paid Crisis actors. George Soros hires people to come in and disrupt the cities after a tragedy. They make about $18 an hour and will get extra if they do something that gets them on TV. Paid Crisis Actors.

Trump is a real piece of work. The coroner reported that Lori Klausutis had "floppy mitral valve disease" that was previously undiagnosed. Mitral valve prolapse can enlarge your left atrium causing a blood clot that can flick off and make you have a stroke or lose consciousness

333 1.9K 11K

Eugene Gu, MD @eugenegu 5月24日

After Lori lost consciousness, she hit her head on the side of a table and tragically died. Falsely accusing Joe Scarborough of murdering her when the medical evidence doesn't suggest that is just pure spite and evil. We live in a country based on facts and evidence not innuendo

Hey @TwitterSupport since you're in the business of fact checking why don't you have your verified accounts remove a photo that IS NOT Derek Chauvin?

Bishop Talbert Swan
Here is Derek Chauvin the racist cop who kept his knee on s neck cut off his air passage and murdered him, wearing a "Make Whites Great Again" hat, a clear sign that this piece of excrement should've been taken off the streets a long time ago.

I'm being told its important to be careful to make sure the Officer involved, Derek Chauvin is this same person wearing a "Make Whites Great Again Hat" that's being spread around. That's fair enough! hope he isn't Racist or not the dude needs to go to jail for killing Floyd.

Big Tech is doing everything in their very considerable power to CENSOR in advance of the 2020 Election. If that happens, we no longer have our freedom. I will never let it happen! They tried hard in 2016, and lost. Now they are going absolutely CRAZY. Stay Tuned!!!

Can we stop calling them "gun control advocates" already?

"Anti-Second Amendment" is too clumsy, removed.

Lacking creativity this morning.

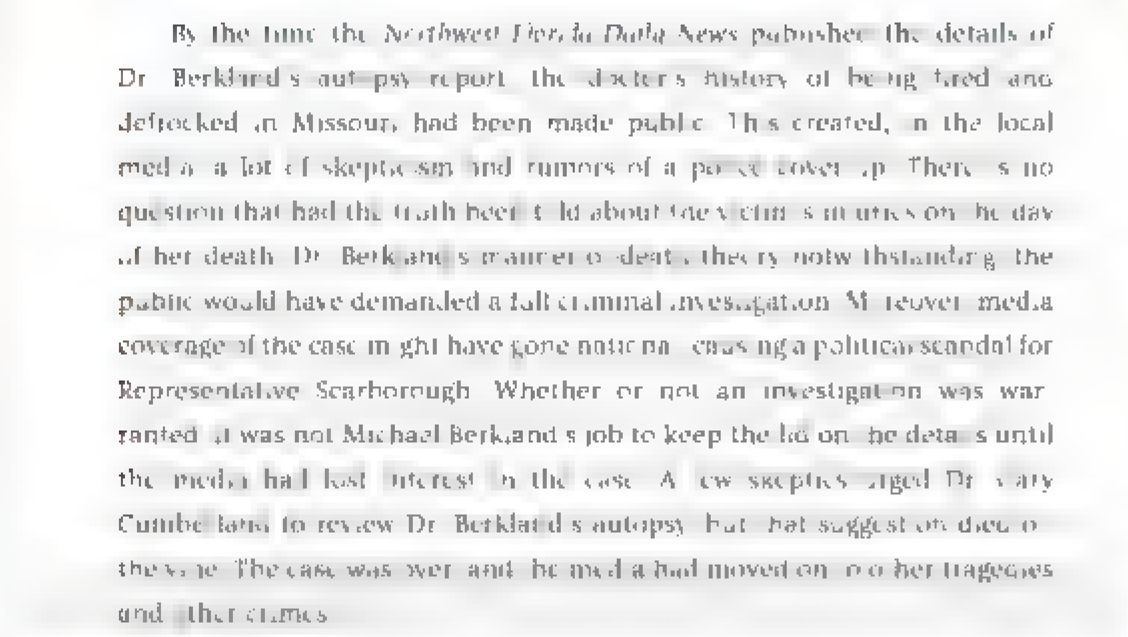
Hmm...



By the time the *Northwest Florida Daily News* published the details of Dr. Berkland's autopsy report, the doctor's history of being fired and defrocked in Missouri had been made public. This created, in the local media, a lot of skepticism and rumors of a police cover up. There is no question that had the truth been told about the victim's injuries on the day of her death, Dr. Berkland's manner of death theory notwithstanding, the public would have demanded a full criminal investigation. Moreover, media coverage of the case might have gone national, causing a political scandal for Representative Scarborough. Whether or not an investigation was warranted, it was not Michael Berkland's job to keep the lid on the details until the media had lost interest in the case. A few skeptics urged Dr. Gary Cumberland to review Dr. Berkland's autopsy, but that suggestion died on the vine. The case was over and the media had moved on to other tragedies and other crimes.

These people thought lock down was bad for shopping? Wait until they have no place to shop for weeks.

Big corporate box stores may close up shop in those neighborhoods for good.

I simply cannot believe Swalwell keeps going.

Each statement he makes only provides @RichardGrenell with another easy layup - and further dissemination of Dem lies.

Guessing right now, a DNC operative is frantically trying to get through to Swalwell to tell him to stop.

Martin Luther King Jr NEVER advocated for violence. He led one of the greatest movements in the HISTORY of our great nation.

He did it with class, dignity, style, and grace. He was an Icon and a Legend.

He is looking down and shaking his head in disgust and shame today.

This country is due for a revolution of epic proportion. The lawlessness being conducted by these Democrat Governors, Mayors, and Judges need to come to an end once and for all.

When are folks going to learn that most of these people are just looking for an excuse to do criminal things.. They don't give a damn about George Floyd.. This is just an excuse to be lawless & get some free stuff while causing anarchy.. This has happened in America since the 80s

I can't stand back & watch this happen to a great American City, Minneapolis. A total lack of leadership. Either the very weak Radical Left Mayor, Jacob Frey, get his act together and bring the City under control, or I will send in the National Guard & get the job done right.

I did a FB post about the governors forcing nursing homes to admit covid patients and the response was that the governors were following orders from @realDonaldTrump. I was shocked that they believed this MSM propaganda.

Looting is not protesting. Burning down local homes and businesses is not protesting. How sad that the memory of #GeorgeFloyd has been lost in all of this.

Looting leads to shooting, and that's why a man was shot and killed in Minneapolis on Wednesday night - or look at what just happened in Louisville with 7 people shot. I don't want this to happen, and that's what the expression put out last night means....

George Floyd was an American Patriot who spoke against the gang violence in his community, trying to pursuade black youth from killing their fellow black Americans.

I firmly believe his murder was a planned hit job to ignite a race war.

Please stop saying that this is all caused by George Soros in Minnesota.

I'm old enough to remember the Rodney King Riots in LA.

I was a kid in LA during the riots. My Dad and I got stranded when his car broke down on a hill overlooking the city. The fires were a crazy sight to see. It's sad how people burned down their own neighborhoods.

Anyone who believes that a protest that isn't neat, clean and polite is illegitimate is a tool that is doing The State's job for them. Because that's one of their most dearly held lies that needs immediate rejection.

Messy, ugly, destructive protests are legitimate.

The DNI has intercepted communications between seth rich and wikileaks

That confirms no collusion, and that means that DNC kill him, thats why donna brazile and the mayor visited seth rich

The photo going around that supposedly shows the Minneapolis Police Officer wearing a Make Whites Great Again hat... IS NOT the same person.

Sharing things like this will NOT help get justice for George Floyd, it does the opposite.

What an absolute embarrassment this is to have to explain to our children..

99.9% of all Police officers are good men and women... A few bad ones exist in every profession in every society..

Now we have to explain how they justify a death by stealing & burning their cities..

Anyone who believes that a protest that isn't neat, clean and polite is illegitimate is a tool that is doing The State's job for them. Because that's one of their most dearly held lies that needs immediate rejection.

Messy, ugly, destructive protests are legitimate.

These THUGS are dishonoring the memory of George Floyd, and I won't let that happen. Just spoke to Governor Tim Walz and told him that the Military is with him all the way. Any difficulty and we will assume control but, when the looting starts, the shooting starts. Thank you!

These THUGS don't care about George Floyd they care about themselves. That's why they are looting and burning down the city.

George Floyd deserves real justice and he would not appreciate this!

Where in the heck is she getting 251 mass shootings in 216 days?

1 4

Earl McCracken @Gcracker3321 · 4. Aug. 2019

The Gun Violence Archive is the most popular site to quote the 251. But they count different from the FBI. GVA counts 4 wounded and/or killed. They also count if homeowner shoots intruders and ppl wounded by debris from shooting and not bullets. Not a good count.
